Sub: Service connections in Home & Offices over FTTH- Addendum regarding

1. Please refer earlier guidelines issued vide letter no. 32-96/2013-NWP-BB/FTTH Services dated 27/09/2013 & 32-64/2013-NWP-BB/FTTH dated 05/12/2013 on service connections over FTTH.
2. References have been received from Circles regarding the retention of service connections over FTTH and examined. Competent authority has approved the following;
 - 2.1 One FTTH test connection per FTTH SSA in limited plans of ADSL equivalent.
 - 2.2 Service connections over FTTH in residence including retired officials may be provided in FTTH enabled high rise buildings & apartments as per entitlement, where Copper network is not available.
 - 2.3 FTTH connectivity for technical network requirement like to B-Node of GSM etc. may not be treated as service connections, but as operational requirements and an appropriate approval may be taken from CGMs.
