Sub: Disbursement of subsidy payment wrt the USOF PC Bundling Scheme – reg

Ref: (i) 64-115/10-S&M CFA Dt: 14-6-2011

(ii) End to End procedure for M/s HCL vide no 64-35/2009-Broadband dated 9.7.2010

(iii) End to End procedure for M/s Novatium vide no 64-73/08-Broadband dated 2.2.2010

Kind reference is invited to the above letters wherein the grievances of PC vendors namely M/s HCL and M/s Novatium were intimated that in various field units the subsidy/EMI payment of the PCs have not been paid to the PC vendors even after the receipt of the same from the USOF/customers against the particular PC.

The USOF subsidy(not EMI) data collected from PC vendors namely M/s HCL and M/s Novatium are furnished as Annexure A & B. The collected data were examined and it was noted that around 6 cr (89% of total due) is pending to be released to M/s Novatium and 2.10 cr (74% of total due) is pending to be released to M/s HCL against the PC subsidy for the PCs installed by them.

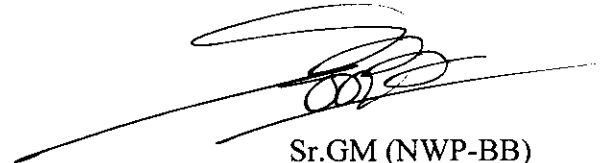

From the data received from the BSNL field units, enclosed as Annexure C it is observed that in eleven circles namely AP, Assam , Chattisgarh , Gujarat , Haryana , Jharkhand , Kerala , MP, UP(East), Uttaranchal and West Bengal, no subsidy has been received from USOF even after claim for the PCs installed by the vendors till date. The delay might be happening due to queries raised by CCAs and less pursuance of nodal officers with CCA. Such a huge delay of multiple years is totally unacceptable. Only in few circles namely Rajasthan, Chennai, KTK , J& K , Orissa , Punjab and Tamil Nadu , subsidy amount of around 90% of claim amount has been settled with CCA which clearly indicates that these circles have managed to implement the PC bundling scheme in an orderly manner and are pursuing their cases regularly with CCA. However these circles have not passed on the complete PC subsidy, received from CCA, to the respective PC vendor.

It is may be noted that as per the end to end procedure defined for the USOF PC bundling scheme , the responsibility of subsidy claim for PC bundling rests with the nodal officer of BSNL Circle office . This includes claim of subsidy, receipt of subsidy from CCA and payment to PC vendors within a week/15 days time period from date of receipt of subsidy claim. From the above situation, it is inferred that the due to improper handling of the responsibility by the nodal officer, the delay in the payment of subsidy to the PC vendors is hampering the progress of the USOF PC bundling scheme. Now PC vendors have virtually stopped working in many circles due to crunch of the capital available with the vendor.

CMD BSNL and Dir(CFA) has taken a serious note of this situation in bundling due to which deployment of rural broadband has also slowed down considerably thereby impacting BSNL revenues.

In view of the serious concerns as above it is advised that in case your unit has received the subsidy towards any particular PC from USOF, the case may be settled by 20th Oct,2011. All efforts shall be made to settle the pending subsidy claim with the CCA offices by 30th oct,2011 so that the payment may be forwarded to the PC vendors so that the vendors may be persuaded to start accepting the new orders to complete this year's USOF's target. Compliance report on above steps/action points may be sent to this office on or before 21st Oct,2011 and 31st Oct, 2011.

This may be treated as MOST URGENT please.
