Subject: Launch of VPN service through WiMAX

BSNL has deployed WiMAX equipment in rural and urban areas of country through Rural Ph-I, Ph-II and Urban projects. The WiMAX equipment supplied by M/s HCL/Huawei, Gemini, ICOMM has already been tested for providing VPN service through WiMAX and found to be successful.

Competent authority has decided to launch VPN service through WiMAX in the circles where the WiMAX equipment of above 3 vendors is working .

In view of above it is requested to launch VPN service through WiMAX and popularize the same in your circle.

For provision of service , NOC Bangalore is making arrangement in P3 portal. In case of any difficulty regarding creation of customer account, GM(BNW) may be contacted.
