SUB: - Clarifications for sale of BSNL data cards under bundling scheme to M/s PTPL regarding

Ref. letter No: 9-43/2012-P&P-CM, dated: 8/8/2012

BSNL Corporate Office has issued the bundling scheme of BSNL data cards with M/s PTPL tablets as per letter referred above. Some Circles have sought clarifications for selling of BSNL data cards for bundling with PTPL's tablets. In this regard clarifications are as follows.

1. With reference to Plan Para No 3 of above referred letter the post paid plan is further clarified as follows.
   a) This is an independent plan with rental of Rs500/- and in which customer will get 4GB / month free data. This also includes the roaming data.
   b) The remaining tariff such as the call charges, data charges beyond free limit will be charged as per Post paid plan of Rs99/-
   c) SIM card is to be given free of cost.
2. The security deposit and the activation charge will be waived off in case customer is already a BSNL postpaid customer (Wireline or Wireless) i.e. BSNL already has the security deposit of the customer.
3. The billing is to be done from the first month. Only the rental of Rs500/- will be waived off for first three months and same will commence from the 4th Month ,any other charges in terms of voice call / SMS or additional data usage beyond free limit is to be paid by the customer.
4. With respect to sale of BSNL data card there is a feedback that field units are not accepting bank guarantee {BG}.The terms & conditions including payment condition have been negotiated after due deliberations by the Corporate Office and the same is approved by the competent authority. Hence these terms are not to be changed.

This issues with the approval of competent authority.
