Assigning of components:

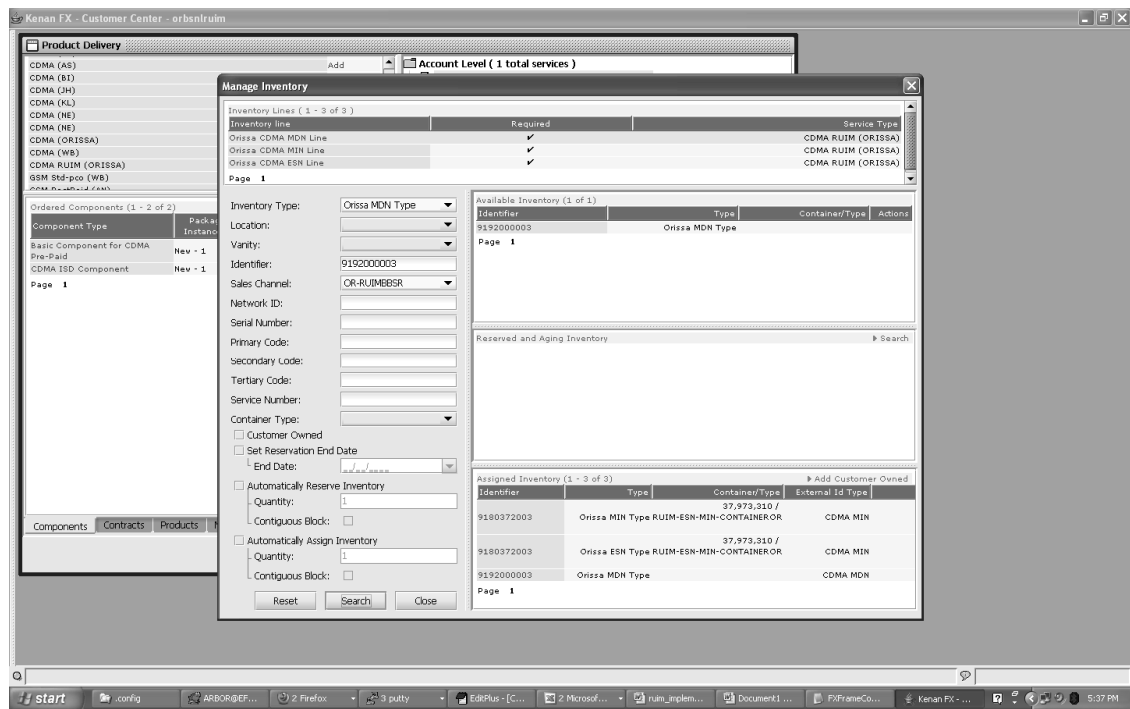

The screenshot displays the 'Kenan FX - Customer Center - orbsntruim' application window. The main interface is divided into several sections:

- Product Delivery:** A list of CDMA services with an 'Add' button for each. The list includes CDMA (AS), CDMA (B1), CDMA (SH), CDMA (KL), CDMA (NE), CDMA (NE), CDMA (ORISSA), CDMA (WB), CDMA RUIIM (ORISSA), GSM Std-poc (WB), and CDMA RUIIM (ORISSA).
- Account Level (1 total services):** A section showing the selected account level: **CDMA RUIIM (ORISSA) / 919200003**.
- Ordered Components (1 - 2 of 2):** A table listing components to be added:

Component Type	Package Instance ID	Min. Max.	Level	Action
Basic Component for CDMA Pre-Paid	NEW - 1		1/1 Service	Add
CDMA ISD Component	NEW - 1		1/1 Service	Add
- Delivered Packages:** A table with columns for Account Level, Instance ID, Pending, and Action. It currently shows 'No Packages found.'

At the bottom of the window, there are navigation tabs for 'Components', 'Contracts', 'Products', and 'Ncs'. Below these are buttons for 'Previous', 'Next', 'Finish', and 'Cancel'. The taskbar at the bottom shows the system tray with the time 5:38 PM and various application icons.

Order commit/complete:

The screenshot displays the Kenan FX Customer Center interface. A central window titled "Orders - 360181580, ruim_test" is open, showing a confirmation message: "Order 1936000007 was committed." The message box has an "OK" button. The background window shows order details for "Current Order: 1936000007" with a status of "In Progress". It lists various service orders and items, including a "Connect" service and several "CDMA" related items. The interface includes a top navigation bar with options like "Account Summary", "Services", "Invoices", "Prepaid Balances", "Hierarchy", "Collections", "Orders", and "End Session". The bottom taskbar shows the Windows start button and several open applications, including Firefox, PuTTY, and Microsoft Word.
