Dated: 08.04.2013

To

The Chief General Managers,
All Telecom Circles / Districts
BSNL

Sub: Poor progress in appointment of Rural Distributers.

References are invited to this office letter of even no. Dated: 18/12/2012 & 22/03/2013 on the subject mentioned above.

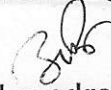

As per the data collected from the circle as on 31-03-2013 (report enclosed), the progress made by almost all the circles is very poor except UP(E).

The basic aim of introduction of RD concept was to cater to the telecom needs of rural segment for BSNL products & services especially in the areas where franchisees need to travel more for managing retailers.

The matter has been reviewed in this office & it is noticed that adequate efforts have not been made by circles on this issue which has been viewed adversely by senior management.

Therefore, It is desired that all out efforts should be made to appoint maximum number of RDs by each circle.

Action taken & progress reports are required to be submitted to this office by 30.04.2013 at Salescmhq@gmail.com for perusal of Sr. Management.
