Sub:- Consolidation of Business Areas and implementation thereof-Reg.

Ref:- This office letter dated 11.02.2015 ,17.10.2019 and 27.08.2020 & subsequent modifications on Consolidation of Business areas.

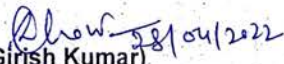

This is with reference to various orders as mentioned above issued by the Restructuring Cell, BSNL Corporate Office vide which guidelines were issued to the field units for merging of SSAs into Business Areas as there have been significant changes in the methodology and rationalization of work flow processes and delegation required in respect of administrative and financial powers for OPEX with complete automation of such processes e.g. from the stage of incurring expenses, billing to accounting etc. to Business Areas and other SSAs which were consolidated.

As such, there were total 331 SSAs existing prior to 2015 below circle setup which were restructured by consolidating the SSAs into Business Areas, in order to improve the operational efficiency. Smaller SSAs with less Business potential were consolidated into 198 BAs in 2019 and then further reduced to 158 BAs (Detailed list enclosed as annexure). Business Area are now primary units where in HR, Finance, planning and procurement related processes are being handled and erstwhile SSAs were defined as Area offices/Operational Areas(OA). Thus, the SSA concept has been completely replaced with Business Area and Operational Area (Area Office).

It is understood that now the process of consolidation of SSAs into business areas has been implemented in all the telecom circles in true spirit and accordingly BAs are working as primary unit as stated above.

A compliance report may be submitted to this office in this regard. However, if it is not implemented in any of the circles till date, the reasons for non implementation may be submitted to this office. The above reports may be submitted to this office on mail id dmrestg@gmail.com latest by 04.05.2022.

This is issued with the approval of the competent Authority
