The above case was submitted to competent authority, where in it was approved not to consider the request as all the above executives were transferred as substitute of the executives who had completed their tenure in respective circle as per transfer policy.

As you are aware that Govt. has made a special provisions for posting the officers/executives in the hard tenure areas considering the tough working conditions (climatic, Geographical, political, social etc.). You are therefore requested to relieve above executives immediately, so that they can join their respective circles to relieve the executives who have already completed the tenure.

However, in place of above executives, ITPC circle may call options for posting the required executives at ITPC. The options received may be sent to Pers. Section of Corporate Office with recommendations for issuing posting orders.

This issues with approval of competent authority
