Sub: Calling for volunteers from the cadre of JTO to the places of acute manpower shortage- reg.

Core Network Transmission, TN unit is facing difficulties in maintenance of network, implementation of new works and WIP project works at some places (as per the list given below) due to acute shortage of manpower. The officers and staff working at these places are overloaded due to shortage of man power with wide range of works. For immediate restoration of cable faults,cable protection works, spanloss reduction, patch works, LD OFC works and WIP works additional manpower is very much essential in these places, without whom some of the above mentioned works are pending for a long time.

After deep analysis, it is decided to call for volunteers from the cadre of JTOs from the entire Circle for posting at the places of acute manpower shortage, as given in the list below. Hence volunteers from JTOs working anywhere in the Circle are hereby called for posting at these places to meet the administrative requirements.

JTOs working on long standing at one place and wish to have change of place may come forward to opt for the places in the given list. If any JTO volunteers for places indicated in the given list, he/she will be considered posting back to his/her choice of station after completion of two years of service subject to administrative convenience.

The DGMs/DEs may kindly advise the officers under their jurisdiction to come forward and opt for the places mentioned below to meet the administrative requirements. The options received from the officers may kindly be submitted to this office on or before 13.05.2021 without holding them on any reason like substitute is not available etc.
